Staying Connected

Dear Church Family,

We want you to know that we are doing everything we can to stay connected with each of you during this time of uncertainty. Please make sure you are checking out all of our online services through Facebook, YouTube, Zoom, Mail Chimp, and our updated Website. You can even give online or by mail at P.O. Box 3400. Even though our physical services and activities are still canceled, we can still meet as a body of Christ through ways of technology.

We encourage each of you during this time to stay connected with your Sunday School class, your church members, your family, and friends. Whether you have a video chat for your Sunday School lesson; call someone to encourage and pray with them; or even mail a letter to someone who may not have Internet access; there are many ways we can still stay connected.

Please continue to contact the church office if you have any questions, have a prayer request, or even need any assistance getting essential needs from the grocery store. We are here to minister to you.

You are loved and missed. We hope to see you again soon.
